Record of Public Dumpster Use

DATE: _____

PLEASE READ and SIGN!

I understand the public dumpsters are furnished at the expense of taxpayers in an effort to reduce litter by providing a place for **homeowners (only)** to dispose of items not normally handled by their regular residential trash disposal service. The dumpsters are self-help; homeowners will need to unload the items they are wanting to dump from their vehicle and put into the dumpsters at their own risk. Harris County Pct. 4 is not responsible for injury. I hereby agree to abide by the following rules and restrictions when using the dumpsters.
