Ongoing Programs

DREAM KEEPERS

Monday through Friday, beginning June 6, from noon – 4 p.m.

For youth 10 to 17 years old, this mentoring program focuses on building positive lifelong relationships and provides role models to teach and advise our youth. It provides guidance that will empower students to be leaders, confident in following their dreams. Contact Dream Keepers at 346-843-5639 to sign up.

BEGINNING CHESS

Mondays, beginning June 6, from 10 a.m. – noon

Open to all ages

Chess is an abstract strategy game, played on a square chessboard with 64 squares arranged in an eight-by-eight grid. At the start, each player (one controlling the white pieces, the other controlling the black pieces) controls 16 pieces: one king, one queen, two rooks, two bishops, two knights, and eight pawns. The object of the game is to advance on the opponent's king, whereby the king is under immediate attack, ending in "checkmate," with no escape. There are also several ways a game can end in a draw.

MEDICARE 101

Thursday, June 9, from 6 p.m. – 7 p.m.

In this free workshop, you will learn everything you need to know about Medicare and how to determine the best options for your current situation.

BLUEGRASS RISING CONCERT

Friday, June 10, at 6 p.m.

Come hear three bands over the course of the evening. There is something for everyone. Bring your own refreshments or get some at the show.

CHILDREN'S IMMUNIZATIONS

Friday, June 17, from 9 a.m. – noon

Harris Health System, Christus Health, and Christus Living Mobile Clinic will provide free immunizations for children. The immunizations are available on a first-come, first-served basis for children between two months and 18 years of age.
